

**Subject:** Follow-Up on Interview for ASE Position

**Dear Mr. Iftikhar,**

I hope you're doing well!

I am writing to follow up on my interview for the Associate Software Engineer position on October 30th. I appreciate the opportunity to discuss my qualifications and learn more about the team at Knowledge Streams.

I wanted to kindly inquire if there are any updates regarding my application status. Thank you for being considerate. I look forward to hearing from you soon.

**Kind regards,
